

Secure-Rite Mobile Storage introduces the **containerHOUSE™!**

Secure-Rite containerHOUSE™ accommodation units are outfitted with personnel doors, windows, insulation, vinyl paneling, lighting, heating, air conditioning, ventilation, data hookups and much more! They also come equipped with plumbing, water-heater, three-piece bathroom, kitchen, and living space. These units are CSA Approved, meet Canadian dwelling specifications, and can be fully customized. Our containerHOUSE™ units are a compact, secure housing solution that will last a lifetime!

Secure-Rite Mobile Storage can customize a containerHOUSE™ to your requirements. The only limitation is your imagination!
